Basic hygiene measures for students

September 13th 2020

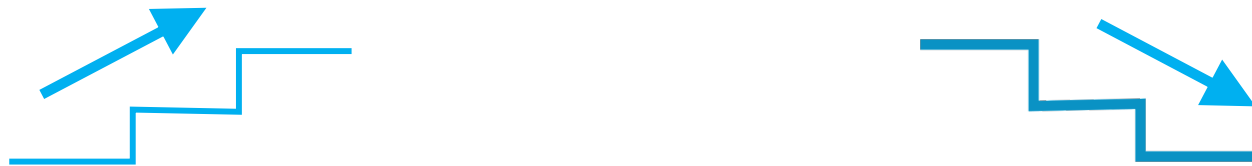

MESURES
COMPLEMENTÀRIES
COVID-19

Enter and leave classroom avoiding crowding

Use stairs and follow signs.

Only use lifts if essential (one person / trip).

Wash your hands with hydroalcoholic gel
at entering and leaving the classroom

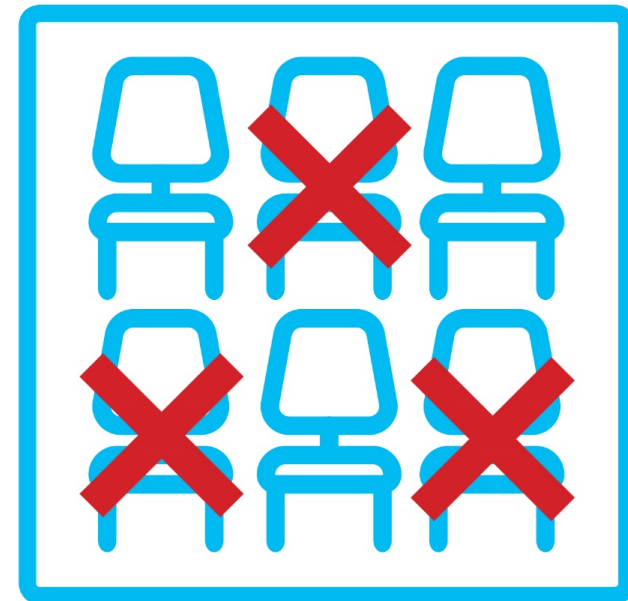

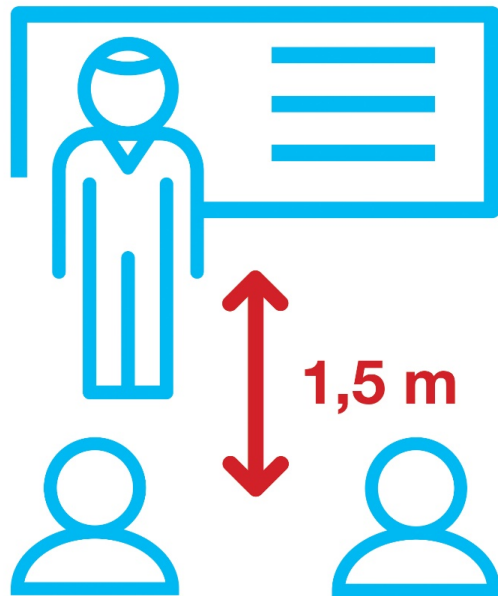

Hand sanitizers available at the entrance

Mask wearing is mandatory all the time

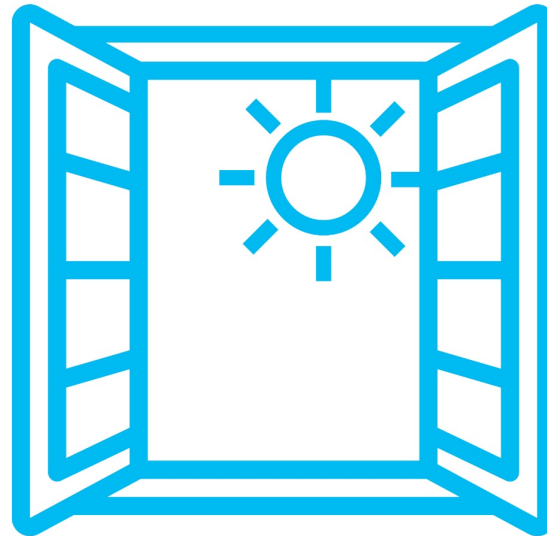

In classroom, sit in allowed spots and maintain a minimum distance of 1.5 m

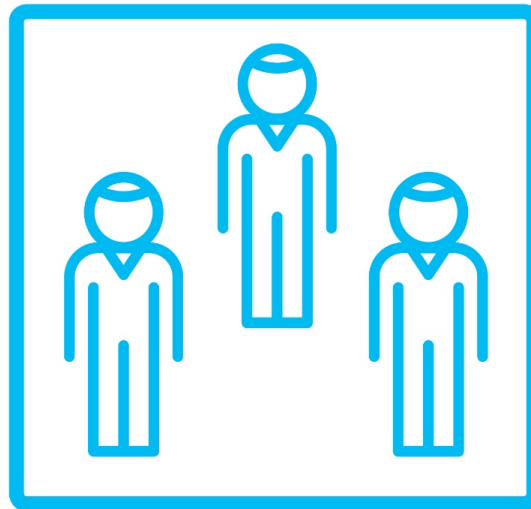

Keep the classroom well-ventilated

During breaks leave the building and stay outdoors. Do not stand in corridors

Sit at the same place in every lecture and know who is sitting next to you.

This can help in following possible outbreaks.
